## WINE TASTING

Approximately 2 hours

€ 50,00 per pax

For a relaxed and informal event that will educate with an enjoyable difference, why not consider wine Tasting? We can tailor a tasting to suit your requirements, so whether you are looking for a fun theme to entertain your staff, clients, or a more serious educational tasting we have the experts to guide you!

We offer a variety of tasting to suit all levels of wine knowledge and can arrange a dinner or buffet to follow your tasting.

### • Blind Wine Tasting •

Following a brief introduction to tasting wines from the wine tutor, participants are given four descriptions for each of the six wines.

The object is to decide which description fits the wine being tasted and to then try and guess the wine itself.

This can be played by individuals or in teams.

No cheating allowed!

### • Tutored Wine Tastings •

For the real wine enthusiast, this type of tasting can be as technical as you require and subjects such as Grape Type or Wine Region can be covered.

Our tutor will guide you through your chosen topic with a selection of six wines to taste
